Global Brand Power: Leveraging Branding for Long-Term Growth (Wharton Executive Essentials)

Barbara E. Kahn

The branding bible for today's globalized world

Today, brands have become even more important than the products they represent: their stories travel with lightning speed through social media and the Internet and across countries and diverse cultures. A brand must be elastic enough to allow for reasonable category and product-line extensions, flexible enough to change with dynamic market conditions, consistent enough so that consumers who travel physically or virtually won't be confused, and focused enough to provide clear differentiation from the competition. Strong brands are more than globally recognizable; they are critical assets that can make a significant contribution to your company's bottom line.

In *Global Brand Power*, Kahn brings brand management into the 21st century, addressing how branding contributes to the purchase process and how to position a strong global brand, from identifying the appropriate competitive set, offering a sustainable differential advantage, and targeting the right strategic segment. This essential guide also covers how customer ownership of your brand affects marketing strategy, methods for assessing brand value, how to manage a brand for long-term profitability, effective brand communications and repositioning strategies, and how to manage a brand in a world of total transparency—where one slip-up can go around the world via social media instantaneously.

Filled with stories about how Coca-Cola, The Estée Lauder Companies Inc., Marriott, Apple, Starbucks, Campbell Soup Company, Southwest Airlines, and celebrities like Lady Gaga are leveraging their brands, *Global Brand Power* is the only book you will need to implement an effective brand strategy for your firm.

From reader reviews:

Ruth Brinkman:

Have you spare time to get a day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a wander, shopping, or went to often the Mall. How about open or perhaps read a book entitled Global Brand Power: Leveraging Branding for Long-Term Growth (Wharton Executive Essentials)? Maybe it is being best activity for you. You recognize beside you can spend your time together with your favorite's book, you can better than before. Do you agree with it is opinion or you have additional opinion?

Cindy Knutson:

Book will be written, printed, or highlighted for everything. You can understand everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A reserve Global Brand Power: Leveraging Branding for Long-Term Growth (Wharton Executive Essentials) will make you to end up being smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think that will open or reading a new book make you bored. It isn't make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?

Ronda Tollison:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Global Brand Power: Leveraging Branding for Long-Term Growth (Wharton Executive Essentials), you may enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't get it, oh come on its called reading friends.

Lisa Madruga:

As we know that book is important thing to add our information for everything. By a e-book we can know everything we would like. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This guide Global Brand Power: Leveraging Branding for Long-Term Growth (Wharton Executive Essentials) was filled in relation to science. Spend your time to add your knowledge about your scientific research competence. Some people has several feel when they reading any book. If you know how big benefit from a book, you can really feel enjoy to read a e-book. In the modern era like right now, many ways to get book you wanted.
