The more she reads, the less she wants to know.

A murderer is stalking the Windy City, carving out the eyes of his victims as grisly souvenirs. When shy Ellen Gordon finds a diary left behind in a coffee shop, she can't keep from reading it. And when she meets the author in person, he's just as charming as his writing. Only when she reads further does she find clues to the identity of Chicago's terrifying serial killer. Could it be the author himself? Ellen will have to uncover the truth about her new boyfriend quickly if she doesn't want to become the killer's next victim.
