Doing Harm Kelly Parsons

There are many ways to die in a hospital...being sick is only one of them.

Chief resident Steve Mitchell is the quintessential surgeon: ambitious, intelligent, confident. Charged with molding a group of medical trainees into doctors, and in line for a coveted job, Steve's future is bright. But then a patient mysteriously dies, and it quickly becomes clear that a killer is on the loose in his hospital. A killer set on playing a deadly game with Steve. A killer holding information that could ruin his career and marriage. Now, alone and under a cloud of suspicion, Steve must discover a way to outsmart his opponent and save the killer's next victim before the cycle repeats itself again and again...

A chilling and compelling thriller that also takes you into the hospital and details the politics and hierarchy among doctors, as well as the life and death decisions that are made by flawed human beings, Kelly Parsons' *Doing Harm* marks the gripping debut of a major fiction career.

Curtis Waters:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Doing Harm can make you experience more interested to read.
