Book 3

So if you have been following the Dear Diary Series then you know all about Jimmy.

This time we head back in time several years before Frankey and Victoria's parents opened the door to hell and let him in.

Hector wasn't the nicest lad, he had a nasty streak to him. Some of the lads in his year would tend to stay clear of him but there was the odd few that had weak personalities who would let Hector boss them around.

Hector was an only child till his parents announced he was to have a little brother. Hector was devastated, but something inside him was very happy about this new birth.
