Shelia M. Goss brings readers a modern day retelling of David and Bathsheba.

Bathsheba Richards has just discovered that she has a half-sister who needs her help. Sheba's long lost sister isn't too happy about their reunion, though, since she has a lot of problems of her own. Sheba's dealing with her husband's boss, who wants her all to himself. After succumbing to his advances, Sheba gets pregnant, and there's no question about who the daddy is, since her husband has been overseas for the past three months.

David King is the CEO of one of the largest media conglomerates in the country. Few people know that David has a calling on his life, but he's been running from it. He thought having fame and fortune would fulfill the need. Only after Sheba gets pregnant does he realize the error of his ways. Praying for God's mercy, David tries to right a wrong. Whether he will succeed or fail remains to be seen.

With a long lost half-sister and a husband who will surely feel betrayed, Sheba's life is filled with turmoil. Will David be her knight in shining armor as he professes to be, or is her nightmare just beginning?
