If life is an epic saga, who's in charge of your narrative? Is the plot unfolding as you imagined? Whether you find yourself trudging along in boredom or caught up in a chaotic whirlwind of overcommitment, you can still take creative control and call for *Take 2*.

This is a book about rebooting your life at any point. It's about starting over; taking inventory; and getting smarter, stronger, and sexier with no apologies, no regrets, and no turning back.

I took control of my journey while in the glare of the spotlight. Now I'm sharing the life lessons from my "grits to glitz" path as a wife and mother, caregiver, businesswoman, television personality, product mogul, kisser of boo-boos, and encourager of dreams. Of course I have many more roles, just as you do, but I want to approach them all in the same way: fearlessly and without limits. I'll hold up the mirror so that you can see who you really are – including all the dramatic plot twists and turns that can make this your most fulfilling adventure ever.

This is *your* life, and you're about to set out on the path to your second take by reclaiming your power, owning who you are, and loving it!
