B-Movie Attack Alan Spencer

No B-movie monster stays dead forever!

It was supposed to be a fun screening of an old schlocky horror film at a university auditorium. Unfortunately, *Morgue Vampire Tramps Find Temptation at the Funeral Home* was possessed by demons able to bring the hideous title characters to life. Now the vampires are alive...and they want company. After gaining access to a vault filled with horror films confiscated by film censors, the vampires have set out to unleash an army of monsters on Chicago with each reel they show. Who will survive an invasion of creatures from B-movies like *The Intestinator*, *Slasher Girls*, and *The 500 Foot Hooker*? And what will be left of them?
