Captain Paul

Alexandre Dumas

Captain Paul Alexandre Dumas

This antiquarian book contains Alexandre Dumas's 1846 novel, "Captain Paul". A romantic romp of brave heroes, devious villains, desperate battles, and true love, this epic tale of high adventure and daring-do is highly recommended for fans of Dumas's work, and would make for a fantastic addition to any bookshelf. The novel is loosely based on the exploits of John Paul Jones, a captain in the American Navy during the revolutionary war. Alexandre Dumas (1802–1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "The Three Musketeers" and "The Count of Monte Cristo". Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his veritably extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.
