**Green Book of Grown-Up Fairytales: Volume 3 (Beyond Fairytales)** Cassandra Dean, Jennah Scott, Shiloh Saddler, N.D. Wylders, Linnea Alexis

**A magical traveler. A sleeping princess. An unsure reunion. An impossible task. A widow wronged.**

**Five fairytales retold. They're not green with envy, only scorching stories for adult eyes only. You thought you knew them. You were wrong.**

## *Lost and Found by Linnea Alexis*

After Haley Monroe's estranged husband drops dead, she discovers he left her with a whole lot of debt and most of her family heirlooms missing. Too bad the only person who can help sort through the mess and clear her name is her late husband's attorney...her only one-night stand and a man she never thought she'd see again.

*"...kept me guessing right up to the very end. It's a modern telling of Grimm's "Stolen Farthings" fairytale, and mingles themes of righting past wrongs, redemption, and second chances with some steamy romance."*

*~DeAnna Cameron*

## *Slumber by Cassandra Dean*

Upon decree from his king, Sebastian, Tailor to the entire kingdom of Dormiraa, embarks on the mission to fetch the Princess Thalia home, her seven year royal trip over. He didn't expect to find her working with clockwork and gears, encased within a coffin of glass. He did not expect the sight of her wild hair to set his heart to pound, or the flash of her dark eyes would heat his blood. He did not expect he would want her so badly, not when he could never have her.

*"I am a huge fan of fairy tale retellings...when they are done as well as this one. I have a special place in my heart for Cinderella or Sleeping Beauty style tales, but I have to confess I prefer a strong feminine heroine which is not always the case in those stories. In this story the heroine is strong and knows what she wants, but also able to bend for love.." ~Dreamer2229*

## *Bitten By Snake Oil by Shiloh Saddler*

Since the death of his wife four years ago, blacksmith Jed Riker has been fighting his attraction to men. When sexy medicine-show man Peter Saint comes into Tumbleweed, Kansas, Jed buys his potion hoping for a cure, but receives vivid erotic dreams of the perfectly built salesman instead.

*"I really enjoyed this story...lots of smoking hot sex between the two MC's! Definitely right up my alley. I will definitely be reading more from Shiloh Saddler in the future!" ~wickedwolvesanddreamingdragons*

## *Saving Sultan by Jennah Scott*

Dillon Sultan never imagined he might some day lose Sultan Ranch. He's got one month to find the money

needed to keep the bank from taking his family's land. One month to find a miracle.

Liam Callahan hasn't talked to his best friend since the night they kissed six years ago. Now he's got a chance to make things right and catch the man of his dreams. But first, he has to help Dillon figure out a way to keep Sultan Ranch.

*"I loved Jennah Scott's retelling of the Brother's Grimm tale "Old Sultan." The original fairy tale, a very short but charming one, is about an old faithful dog that the farmer has deemed useless as the dog has lost his teeth and supposedly his ability to protect the household... One of those Grimm stories where "and then what happened?" doesn't get answered, not here at least.." ~JA Matthews*

### ***Don't Call Me Iron Man by N.D. Wylders***

Once upon a time...there was this guy. A man who had an IQ out of this world and was arrogant enough to give the legendary Tony Stark a run for his money. He had everything he could ever want—a good job, more money than he knew what to do with, and all the sex he wanted—no strings attached. But that all changed on one fateful night...

*"This is my first time reading N.D. Wylders' writing I could not put this story down. There is action, adventure, hotter than sin dominates, and so much more in this story. I am a sucker for a great fairy-tale. This one is a twist on the Brothers Grimm story Iron John. Don't Call Me Iron Man is an amazing must read story." ~Redz*
