## **Living Whole Without a Better Half** Wendy Widder

There are more singles in—and out of—the church today than ever before. Wendy Widder knows the struggles of being single from the inside out, and she has something to say. While there is no shortage of books about singlehood on the market, Widder's approach is markedly different. In *Living Whole Without a Better Half* readers study the characters in Hebrews 11. Widder uses these Biblical examples to show readers how to embrace singleness as an abundant life and a God-given gift, not as an unfortunate stage they should move past as quickly as possible. By examining the lives of biblical heroes such as Abraham, Moses, and Jacob, she reveals that trying to bargain with God to follow our plans and timing often keeps us from appreciating the opportunities he places in our path. Widder makes her case with wit and a wry humor that readers will appreciate and come back to again and again. Now with updated statistics, and a new preface, *Living Whole Without a Better Half* includes study questions that make it a great Bible study or small group resource.

### From reader reviews:

#### **Doris Moreno:**

Book is to be different per grade. Book for children right up until adult are different content. To be sure that book is very important usually. The book Living Whole Without a Better Half seemed to be making you to know about other understanding and of course you can take more information. It is quite advantages for you. The e-book Living Whole Without a Better Half is not only giving you far more new information but also to become your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship while using book Living Whole Without a Better Half. You never experience lose out for everything when you read some books.

#### **Chris Boos:**

Playing with family within a park, coming to see the marine world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try factor that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Living Whole Without a Better Half, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its referred to as reading friends.

#### **Michael Berube:**

Is it an individual who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Living Whole Without a Better Half can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these books have than the others?

#### **Arthur Johnson:**

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher for their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as reading through become their hobby. You need to know that reading is very important and also book as to be the point. Book is important thing to include you knowledge, except your own teacher or lecturer. You find good news or update in relation to something by book. Numerous books that can you go onto be your object. One of them are these claims Living Whole Without a Better Half.
