No Regrets: Your life starts right now...How will you choose to live it? Alex Raisanen, Von Raisanen
No Regrets is designed to be used as a tool in the everyday struggles that challenge you in your personal life. That, whenever you are faced with a difficult situation, you can turn to a chapter and gain both knowledge and inspiration. The mission: To grow a sense of responsibility in its' readers through a call to action. That one day, everyone can look at themselves in the mirror and say the three most important words in the English language: I AM RESPONSIBLE!

From reader reviews:

Larry Witcher:

Have you spare time for any day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their spare time to take a walk, shopping, or went to the Mall. How about open or maybe read a book allowed No Regrets: Your life starts right now...How will you choose to live it?? Maybe it is to get best activity for you. You realize beside you can spend your time along with your favorite's book, you can better than before. Do you agree with their opinion or you have some other opinion?

Lea Wheeler:

In this 21st millennium, people become competitive in most way. By being competitive right now, people have do something to make them survives, being in the middle of the actual crowded place and notice by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yep, by reading a book your ability to survive raise then having chance to remain than other is high. For you personally who want to start reading any book, we give you that No Regrets: Your life starts right now...How will you choose to live it? book as beginning and daily reading guide. Why, because this book is more than just a book.

Claudia Kelley:

This No Regrets: Your life starts right now...How will you choose to live it? is great book for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great manage word or we can point out no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with lovely delivering sentences. Having No Regrets: Your life starts right now...How will you choose to live it? in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen small right but this reserve already do that. So , this is certainly good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

William Glover:

What is your hobby? Have you heard which question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person including reading or as examining become their hobby. You should know that reading is very important and also book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You see good news or update in relation to something by book. Different categories of books that can you decide to try be your object. One of them are these claims No Regrets: Your life starts right now...How will you choose to live it?.
