## No tienes nada que perder: En el camino hacia la verdad, la conciencia y la felicidad (Spanish Edition)

Osho

Cuando meditamos, llevamos a cabo un proceso de profunda transformación interior. Es un camino que atraviesa territorios que nos pueden parecer desconocidos e inhóspitos. En las diferentes etapas del viaje puede sorprendernos que, de pronto, apenas logremos reconocernos, o que creamos que ha cambiado la relación con quienes nos rodean o incluso la percepción que tenemos de nosotros mismos.

En este libro, Osho responde a las preguntas de gente que se busca, que ha empezado a transformarse mediante el ejercicio de la meditación. En sus respuestas, Osho vuelve una y otra vez a la definición oriental del estado último de conciencia conocido como «sat chit anand»: verdad, conciencia y dicha.
