*Before you write me off as a delusional psycho, think about what it's like to be thrown into a situation where everyone knows everyone... and no one knows you.* Sadie has the perfect plan to snag some friends when she transfers to Plainfield High—pretend to have a peanut allergy. But what happens when you have to hand in that student health form your unsuspecting mom was supposed to fill out? And what if your new friends want to come over and your mom serves them snacks? (Peanut butter sandwich, anyone?) And then there's the bake sale, when your teacher thinks you ate a brownie with peanuts. Graphic coming-of-age novels have huge cross-over potential, and *Peanut* is sure to appeal to adults and teens alike.

"A smart, affecting graphic young adult novel." —*The New York Times*
