The Hour of the Star (Second Edition)

Clarice Lispector

The Hour of the Star (Second Edition) Clarice Lispector

A new edition of Clarice Lispector's final masterpiece, now with a vivid introduction by Colm Tóibín.

Narrated by the cosmopolitan Rodrigo S.M., this brief, strange, and haunting tale is the story of Macabéa, one of life's unfortunates. Living in the slums of Rio and eking out a poor living as a typist, Macabéa loves movies, Coca-Colas, and her rat of a boyfriend; she would like to be like Marilyn Monroe, but she is ugly, underfed, sickly and unloved. Rodrigo recoils from her wretchedness, and yet he cannot avoid the realization that for all her outward misery, Macabéa is inwardly free/She doesn't seem to know how unhappy she should be. Lispector employs her pathetic heroine against her urbane, empty narrator—edge of despair to edge of despair—and, working them like a pair of scissors, she cuts away the reader's preconceived notions about poverty, identity, love and the art of fiction. In her last book she takes readers close to the true mystery of life and leave us deep in Lispector territory indeed.

Many Shirley:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Hour of the Star (Second Edition) can make you experience more interested to read.
