Little Duck learns how to celebrate his birthday with a little help from all the other animals on the farm in this charming picture book from the award-winning duo, Doreen Cronin and Betsy Lewin.

Happy first birthday, Little Duck!

Everyone wants to look their best for the party. But Little Duck has never had a birthday before—so how better to learn how to prepare than to do what all the other animals do! The sheep trim their wool—so Little Duck trims her feathers. The pigs need a mud bath—so Little Duck quish and quashes, too. All over the barnyard Little Duck snips, slurps, squishes, and shimmy shakes herself ready until...WHOOPS! It's party picture time—and Little Duck is a big mess. No matter—it's not something Farmer Brown's frosted maple cake can't fix!

### From reader reviews:

#### **John Lee:**

This Click, Clack, Surprise! book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this guide incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. That Click, Clack, Surprise! without we recognize teach the one who studying it become critical in thinking and analyzing. Don't end up being worry Click, Clack, Surprise! can bring if you are and not make your carrier space or bookshelves' come to be full because you can have it with your lovely laptop even phone. This Click, Clack, Surprise! having fine arrangement in word along with layout, so you will not experience uninterested in reading.

#### **Winnie Logan:**

Are you kind of hectic person, only have 10 as well as 15 minute in your day time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you have problem with the book compared to can satisfy your short time to read it because all of this time you only find book that need more time to be read. Click, Clack, Surprise! can be your answer as it can be read by you who have those short extra time problems.

#### **Judith Carter:**

Reading a book being new life style in this 12 months; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The Click, Clack, Surprise! provide you with new experience in reading through a book.

#### **Beverlee Guthrie:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Click, Clack, Surprise! can make you feel more interested to read.
