How Do You Know When You're Really in Love? Robert K. McIntosh

“But how do I know if I am really in love?”

During more than 30 years of teaching and counseling young people, Robert McIntosh has heard that question more than any other. Here he draws upon the scriptures, the writings of latter-day prophets and hundreds of interviews to answer such questions as:

- How can I tell when I've met the right person to marry?
- What is the difference between romantic love and friendship?
- Why is premarital sexual intimacy so damaging to a relationship?

This book will help you find your way through the sometimes frustrating minefield of relationships and guide you safely to the kind of marriage you want for eternity.
