Phoebe Damrosch

Service Included Phoebe Damrosch

Kitchen Confidential meets *Sex and the City* in this delicious, behind-the-scenes memoir from the first female captain at one of New York City's most prestigious restaurants

While Phoebe Damrosch was figuring out what to do with her life, she supported herself by working as a waiter. Before long she was a captain at the New York City four-star restaurant Per Se, the culinary creation of master chef Thomas Keller.

Service Included is the story of her experiences there: her obsession with food, her love affair with a sommelier, and her observations of the highly competitive and frenetic world of fine dining.

She also provides the following dining tips:

- Please do not ask your waiter what *else* he or she does.
- Please do not steal your waiter's pen.
- Please do not say you're allergic when you don't like something.
- Please do not send something back after eating most of it.
- Please do not make faces or gagging noises when hearing the specials—someone else at the table might like to order one of them.

After reading this book, diners will never sit down at a restaurant table the same way again.

From reader reviews:

Misty Barrientos:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each reserve has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their time and energy to read a book. They may be reading whatever they get because their hobby will be reading a book. How about the person who don't like looking at a book? Sometime, man feel need book whenever they found difficult problem as well as exercise. Well, probably you will require this Service Included.

Ruth Michel:

This book untitled Service Included to be one of several books that best seller in this year, this is because when you read this guide you can get a lot of benefit upon it. You will easily to buy that book in the book store or you can order it by way of online. The publisher of this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Smartphone. So there is no reason for you to past this publication from your list.

Willie Letchworth:

Reading a publication tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write for their book. One of them is this Service Included.

Jason Scott:

Your reading 6th sense will not betray a person, why because this Service Included e-book written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own personal hunger then you still question Service Included as good book not merely by the cover but also through the content. This is one e-book that can break don't judge book by its protect, so do you still needing one more sixth sense to pick that!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.
