## Cambodia: Country Poverty Analysis 2014

Cambodia's new national poverty lines show higher historical poverty rates and a dramatic decline in poverty during the 2007-2009 global financial crisis. With 18.9% of the population being poor in 2012, Cambodia now counts among the countries with the most rapid poverty reduction in the world. However, many people moved only slightly above the poverty line---remaining highly vulnerable---and poverty is increasing both in urban areas and according to the international poverty line of \$2 per day. this report includes an in-depth look at household debt and vulnerability, the multidimensional nature of poverty, and tools for targeting support to the poor.
