Lost in Your Arms (Governess Bride, Book 5) Christina Dodd

A Groom Who Can't Remember. Bride Who Wants Desperately To Forget.

Enid MacLean is finally living a peaceful life when she receives word that an explosion has injured the husband she hoped she'd never have to see again. Reluctantly, she agrees to do her duty but, except for his distinctive green eyes, the man she nurses back to health is not the man she remembers.

And he remembers nothing. From the depths of his amnesia, he reaches out for the woman he believes is his wife, tempting her with ardent words and a reckless passion she finds herself unable to resist. And while Enid finds herself losing her heart to this achingly familiar stranger, she cannot help but wonder how her husband has become such a dangerous, seductive man . . . and what secrets he carries locked away in his lost memories.

Last time marriage cost her her happiness. This time love could cost her more.
