You can gift our book to someone, gain the joy of giving, and your someone also receives Laughs and Inspiration, as well as feeling more Thankfulness and Friendship towards you! The Four Writers of the Apocryphis, Collectively Called, The Quirky Quarky Quartet. Mariamor Amadeus (MA): Devotional Diamonds. Celeste Beaumondeciel (See Be): Far In, Far Out Fantasy. Rad Ranter (RR): Egalitarian Ecology. Professor Guffinut von Cilliklaen (PGVC): Comedy Caput. Four authors of four interrelated genres in one book! Faith. Fairness. Fantasy. Funniness. Hi Dear Reader! I'm Mariamor Amadeus, editor for our writers quartet. I would like to introduce each of us briefly. We will provide other autobiographical details here and there inside the book. Rad Ranter. (I think he's out to save the world from global systemic monetary system economic injustice and ecological collapse). I also suspect that he's out for all he can give. You will not hear a peep out of him on this touchy topic, but he's a wannabe vegan evangelist. (don't tell him I told you). Rad describes himself as a post-patriarchal man, a pro-feminist man, and as such he advocates giving more respect to, and taking more advice from, women worldwide. Works for me! I do not believe that what he writes is men-bashing. There's a certain degree of self-evident truth in his statements. I'm kinda glad he can say these viewpoints, because there's no way I ever would! Rad's Okay. You'll like him when you get to know him. Then there's our Fantasy Friend, Celeste Beaumondeciel. I gotta love her, but that girl is so Far Out, she hit the Outer Curvaceous Nature of the Universe and boomeranged around it till she came back Full Circle and now in addition to Being Way Far Out, she's also Way Far In. Her stuff is like "Well, yeah, when people fly! Like, in your dreams, Dudedess!" Some people ask "Why?" Celeste Beaumondeciel asks "Why nought?" Professor Guffinut von Cilliklaen. Yes, well I do admit, he is a Wyrd Duck. Some people say he's a Goofy Nut and a Silly Clown. He makes me laugh, so I have to like him. Hey, it's not just me! I've heard some other persons laugh out loud at his jokes also! Anyhoo, that's his Shtick and I guess he's Shticking to it. Everyone of any faith can understand the naturalness of feeling Respect and Love for the Divine Feminine Principle. The Divine Mother is supremely unitive of the hearts of humanity. Don't let worldly amusements fill up your mind so much that there is little room in your mind for thoughts focused on the Divine Mother. Don't make Her sleep outside in the barn in the cold because there was no room for Her in the Inn. Make lots of room for Her and for Her expanding Holy Family in the Inn. The more room you make, the more blessings you will be able to receive and to give. The idea of Practicing the Presence of God seems to be very Time-Specific. Time moves from Present to Past. The Present is the Future. Unfolding moment by moment. The eight-pointed star is a traditional symbol of Mother Mary. She is clothed in the Sun with the Moon at her feet, wearing a crown of twelve stars. A little poem by Mariamor Amadeus: "Take a Break. Sit a Spell. Realize Us Fully Well. Thank you so, Dear Friend, we meet again, again in Everyone We See, the Us, the You, the Me. Know We have our Say. Dream Peace on Earth. Today." These writings are dedicated to Our Lady of the Inner Light. May Her Boundless Love, Compassion, and Wisdom enlighten all persons. May we all clearly see and embody the Real. The True. The Beautiful. The Peaceful. The Divine Love.
