Certified Forensic Consultant Body of Knowledge (Center for National Threat Assessment) American College of Forensic Examiners Institute

In a proper court setting, experts in various fields are often asked to provide testimony and evidence on numerous professional topics. To be able to effectively testify in a courtroom requires knowledge, training, experience, and expertise. The materials presented in **Certified Forensic Consultant Body of Knowledge** provide the necessary information to prepare and give effective testimony in a courtroom trial.

This book covers all aspects of preparation and conduct during the trial process relevant to forensic expert consultants, with focused chapters that review the details of

- The legal system
- Marketing consultation services
- Litigation processes, themes, and strategies
- General legal principles
- Expert witness payment
- The discovery process
- The forensic expert's deposition
- The trial process and the forensic expert's role in it
- Professional practices

In using this book, readers will learn about the complete court process, from the opening arguments to the establishment of proper fees, ways to correctly testify in a professional manner, the forensic expert's role in litigation, and the conclusion of the trial. The **Certified Forensic Consultant Body of Knowledge** provides a thorough guide to the process of giving forensic expert testimony in the courtroom.
