## **Cogito: Part 1 Antoine & Liliana, The Separation** Antoine Bacha, Liliana Franco

While in captivity by Palestinian terrorists, Antoine began hearing what he described as a loving, caring voice that showed him to rise above his terrible pain and misery by connecting to his creators spirit. The voice also told him, among other things, that he would meet an unusual woman who would share in his spiritual journey. He did not know that the woman would also experience the very same kind of intuitive lessons from the voice as he did. Inspired by the loving spirit of the voice that speaks through both of them, Antoine and Liliana now share that message with the world. Their journey takes them from the horrible imprisonment by cruel terrorists, through the anxieties we all face in everyday life, into an ongoing journey toward spiritual liberation.
