Griffith REVIEW 36: What is Australia For?

Griffith REVIEW 36: What is Australia For?

What is Australia For? asks the big questions to encourage a robust national discussion about a new Australian identity that reflects our national, regional and global roles.

In a powerful memoir, **Frank Moorhouse** confronts his own mortality when a routine trek through the bush at the back of Bourke takes a wrong turn; **Cameron Muir** argues for an urgent marriage between health and agriculture; **David Hansen** investigates the token Aboriginality of a Melbourne residential tower; and **Nick Bryant** takes the temperature of our cultural cringe.

Dennis Altman asks if Australians have lost the will to create a better society; **Robyn Archer** contends that sustainability and resilience must be at the heart of our national debate; **Kim Mahood** offers a lacerating account of white workers in remote Aboriginal communities; **David Astle** and **Romy Ash** deliver two outstanding pieces of short fiction.

Other contributors include: **Peter Mares**, **Leah Kaminsky**, **Jim Davidson**, **Frances Guo**, **Bruce Pascoe**, **Maria Papas**, **Pat Hoffie**, **Charlie Ward**, **Michael Wesley** and more.

Levi Ryan:

As we know that book is very important thing to add our expertise for everything. By a publication we can know everything we really wish for. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This book Griffith REVIEW 36: What is Australia For? was filled about science. Spend your time to add your knowledge about your science competence. Some people has various feel when they reading a new book. If you know how big selling point of a book, you can really feel enjoy to read a guide. In the modern era like currently, many ways to get book which you wanted.

John Merritt:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Griffith REVIEW 36: What is Australia For? can make you experience more interested to read.
