The journey to professional and personal growth takes time, and the road isn't always smooth, but it is a learning-filled adventure

Holly Elissa Bruno, Janet Gonzalez-Mena, Luis Antonio Hernandez, and Debra Ren-Etta Sullivan are accomplished professionals and respected leaders in the early childhood field. After a decade of speaking together at national professional development conferences, they now give you twelve of their most important presentation topics as essays. Each chapter presents a dialogue among the authors about a particular topic and the lessons gleaned from facing and overcoming uncertainty and obstacles.

Merging each author's distinct voice, expertise, and life experiences, this collection unveils the authors' personal and meaningful histories, insecurities, and insights. You will be encouraged and challenged to think more deeply and openly about your own practices and philosophies. You will gain a renewed sense of purpose as you help children reach their full potentials. And you will discover—as the authors did—that every bump in the road is an invitation to grow and opportunity to learn.
