Quel bip che mi ha cambiato la vita (Italian Edition) Luigi Alfonso, Enrico Castriotta

Questo non è il racconto di un uomo malato. Piuttosto è la storia di un uomo che, nonostante sia sfiancato dalla Sclerosi multipla ormai da 19 anni, ha ancora una gran voglia di vivere. E di raccontarsi. Per essere da stimolo non solo per chi, come lui, ha visto cambiare la propria vita nell'arco di pochi mesi o al massimo una manciata di anni, ma anche per chi ha il privilegio di un'ottima salute e, ciò nonostante, non riesce a godersi la vita.
