Stefano Inama, Edmund W. Sim

Rules of Origin in ASEAN: A Way Forward (Integration through Law: The Role of Law and the Rule of Law in ASEAN Integration) Stefano Inama, Edmund W. Sim

Rules of Origin in ASEAN is the first in-depth exploration of the complex rules of origin in ASEAN's trade agreements. Written by two leading practitioners, they explain with clarity the existing ASEAN Rules of Origin (RoO) practices and their administration regimes in a comparative context and provide a recommendation for reform. The ASEAN RoOs can be simplified by focusing on value of materials and lowering the regional value content required to qualify as ASEAN-origin. The administration of ASEAN RoOs can be improved by expanding the use of self-certification, moving away from document-based verification to more modern post-entry audit and trade facilitation approaches. This is a timely and important topic which will be insightful to practitioners, policymakers and businesses in understanding how commerce and trade is conducted in Southeast Asia.
