## Y soplará el amijan (Spanish Edition) Manena Munar

Beatriz es una española que viaja a Filipinas para profundizar en la vida y muerte de uno de sus ancestros; viaja a Negros, donde se encuentran las mayores plantaciones de caña de las islas.

La historia se desarrolla durante dos épocas de la historia filipina: por una parte nos sumerge en las costumbres, historia y creencias de la sociedad lugareña del año 1896, con la insurrección filipina en su máximo apogeo y la ejecución de Rizal (dos años antes de la pérdida de esta colonia, junto con Cuba) y por otra, la autora pasa revista a la actual Filipinas, valiéndose de un hábil entramado.

Beatriz experimenta un intenso cambio en su vida, es un período decisivo en el que sus días en España habían llegado a un punto muerto.
