In Detail

Developing great user interfaces for web applications has never been easier! PrimeFaces delivers a powerful set of features that enable JSF developers to deliver awesome user experiences on the Web. With more than 150 Ajax-enabled UI components, jQuery integration, a mobile UI toolkit, theme support, Ajax Push technology, and much more, PrimeFaces takes JSF application development to a whole new level!

Instant PrimeFaces Starter is a practical, hands-on guide to PrimeFaces that will show you how to get started quickly using PrimeFaces in your web applications and provides examples on how to design and develop compelling user interfaces using PrimeFaces Ajax UI components, PrimeFaces Mobile, and PrimeFaces Push.

Starting with the setup of your first PrimeFaces project in Eclipse, Instant PrimeFaces Starter will then take you through the process of designing and implementing the user interface of a social events web application that enables users to find fun things in their city. In this process you will learn a range of techniques for building innovative user interfaces with PrimeFaces UI components.

You will also learn how to build a mobile version of your web application using the PrimeFaces Mobile toolkit, leveraging the jQuery mobile library to extend your web application to Android, iOS, and other mobile platforms. Finally you will see how to build a live chat application with presence awareness that uses PrimeFaces Push technology to send updates to desktop and mobile users simultaneously.

Approach

Get to grips with a new technology, understand what it is and what it can do for you, and then get to work with the most important features and tasks. Instant Primefaces Starter is a fast-paced, introductory guide designed to give you all the information you need to start using Primfaces, instantly.

Who this book is for

Instant PrimeFaces Starter is great for developers looking to get started quickly with PrimeFaces. It's assumed that you have some JSF experience already, as well as familiarity with other Java technologies such as CDI and JPA and an understanding of MVC principles, object-relational mapping (ORM), and dependency injection (DI). The sample application included with the book is fully functional and demonstrates how to use these technologies together with PrimeFaces.

From reader reviews:

Genoveva Johnson:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining including comic or novel. The Instant PrimeFaces Starter is kind of reserve which is giving the reader unstable experience.

James Jean:

Reading a book can be one of a lot of exercise that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new info. When you read a publication you will get new information due to the fact book is one of various ways to share the information or even their idea. Second, reading a book will make a person more imaginative. When you reading a book especially fictional works book the author will bring someone to imagine the story how the character types do it anything. Third, you can share your knowledge to other individuals. When you read this Instant PrimeFaces Starter, you can tells your family, friends along with soon about yours publication. Your knowledge can inspire different ones, make them reading a book.

Mark Hernandez:

People live in this new morning of lifestyle always attempt to and must have the spare time or they will get large amount of stress from both daily life and work. So , once we ask do people have free time, we will say absolutely yes. People is human not only a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read will be Instant PrimeFaces Starter.

Stacie Schneider:

That publication can make you to feel relax. This book Instant PrimeFaces Starter was multi-colored and of course has pictures on there. As we know that book Instant PrimeFaces Starter has many kinds or style. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are usually make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you and try to like reading this.
