Melancholy: Book Two of The Cure (Omnibus Edition) Charlotte McConaghy

Here in the west they know a lot about hope. They know how to ration it just as they do with food and water.

Josephine is at last free of the blood moon. But in a desperate rush to find help for a comatose Luke, she discovers the strange and dangerous world of the resistance, and it is unlike any world Josi has known.

In the west they believe in fury – they cultivate and encourage it. The unruly people of the resistance know that to survive means to fight. But can they fight the inevitable cure for sadness that rushes steadily closer?

In the action-packed sequel to *Fury*, everything Josi believes about herself will be challenged. Haunted by atrocities and betrayals, she must find the strength to trust again, and decide how far she is willing to go to fight the inevitable.

At times both brutal and sweet, *Melancholy* is the story of second chances and finding love in a ruined world.
