Psychoanalysis and ...: Volume 7 (Routledge Library Editions: Psychoanalysis)

Psychoanalysis and ...: Volume 7 (Routledge Library Editions: Psychoanalysis)

Originally published in 1990, *Psychoanalysis and...* brings together essays by critics whose work demonstrates the lively interpenetration of psychoanalysis and other disciplines. Andrew Ross investigates psychoanalysis and Marxist thought; Joel Fineman reads the "sound of O" in Othello; Jane Gallop asks "Why does Freud giggle when the women leave the room?"; and Ellie Ragland-Sullivan examines Lacan's seminars on James Joyce. This stimulating collection of work should still be required reading, especially for students of literature. But *Psychoanalysis and...* demonstrates that psychoanalysis – and theoretical criticism, and feminism, and Lacanian theory, and semiotics, and Marxism, and deconstruction, and literary criticism – was, at the time, a rich and expanding terrain.
