Russell Corbett was all cowboy and wasn't about to let a lady lasso him! But Dulcie Hughes had him tied up in knots from the moment she nearly collided with his combine. She rode into town with her fancy rental car and city clothes to claim her secret inheritance. And neither tall tale nor handsome rancher would deter her from exposing a years-old cover-up at the Beaumont property. She expected to find answers, *not* fall in love. But like the threatening thunderhead on the horizon, the truth would come fast and fierce, and there would be no escaping the consequences.
