Three Wishes Jenny Schwartz

She is the Bringer of Death

Cali, a djinni, has sworn to twist the wishes of humans so they die by their own greed and evil. Her latest master is arms dealer David Saqr, a man Cali believes deserves the fate she has in store for him. But this time she finds herself up against Andrew, David's guardian angel.

He is a Protector of Life

Andrew believes David can yet find redemption. He fights Cali for the man's life, even as he tries to persuade her to give in to the sizzling attraction between them. He shows Cali another side of David, and invites her to trust again, to hope. But centuries of being enslaved have hardened Cali's heart—it's going to take all of Andrew's love to convince her to open it and let him in.
