"Does the life of the master exist for each of you? Absolutely. Is there anyone in this room that does not have that immortal line of potential around you? Everyone in this room has it, more so because you have learned about it. But why then wouldn't it make sense to say, 'But if I know it is there, how come I don't elect to be that?' It is not that we wish we could be a master - it is much more than that - it is that being the master isn't our common thought. And if it were, then the life that you are now living would dramatically change to be one of no past, total clarity, unattachment, joy, and living in the present moment where the magic presence is effervescent every moment." - Ramtha
