Eyes Joanne Fluke

Dear Reader,

In the early 1990s, I published a suspense novel called *Eyes* under the name Chris Hunter. Now I'm thrilled that it's available again with a striking new cover!

A mild-mannered car salesman...a womanizing bartender...a beloved minister with a devoted family. Except for the fact that each of the murder victims is male, Minnesota police can't find a connection between the crimes. But that's because what links them can't be seen with the naked eye...

Losing everything can make a person do crazy things. No one knows that better than Connie Wilson. The shock of suddenly losing her fiancé, Alan, in a car accident, is almost too much bear...Until Connie comes up with a plan to stay close to Alan forever. And she's finally found just the man to help her. There's only one thing standing in her way: his wife. She's smart, beautiful, and has exactly what Connie desperately needs. Connie will just have to be smarter, more seductive--and stay one step ahead of a detective who's as determined to save her as Connie is to destroy her. . .

If you've enjoyed my earlier novels like *Final Appeal* and *Fatal Identity* then I believe you're going to love reading *Eyes*!
