**The Dharma: That Illuminates All Beings Impartially Like the Light of the Sun and the Moon** Kalu Rinpoche

The Dharma is the first major collection of teachings by Kalu Rinpoche, a great meditation master in the Tibetan Buddhist tradition. These discourses were presented in America with a Western audience in mind, and have been specially edited for this volume. The openness, simplicity, and depth of realization in his teachings have brought inspiration to many, and greater understanding of the wisdom Buddhism has to offer. The topics covered range from the most subtle psychology and metaphysics to everyday life and practice. Readers new to Buddhism will find lucid and profound explanations of the fundamental teachings; those already familiar with Buddhism will discover unexpected insights into the heart of the tradition.
