## **The God of Philosophy: An Introduction to Philosophy of Religion** Roy Jackson

For centuries philosophers have argued about the existence and nature of God. Do we need God to explain the origins of the universe? Can there be morality without a divine source of goodness? How can God exist when there is so much evil and suffering in the world? All these questions and many more are brought to life with clarity and style in *The God of Philosophy*. The arguments for and against God's existence are weighed up, along with discussion of the meaning of religious language, the concept of God and the possibility of life after death. This new edition brings the debate right up to date by exploring the philosophical arguments of the new atheists such as Richard Dawkins, as well as considering what the latest discoveries in science can tell us about why many believe in the existence of the divine.

### **From reader reviews:**

#### **Michael Duckett:**

Reading a book tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write to their book. One of them is this The God of Philosophy: An Introduction to Philosophy of Religion.

#### **Jonathan Gomes:**

Precisely why? Because this The God of Philosophy: An Introduction to Philosophy of Religion is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the publication store hurriedly.

#### **Sandra Castillo:**
