## **The Queen Geek Social Club** Laura Preble

If you're somebody like Shelby Chappelle, a smart, witty, pretty geek army of one, you can't just put a poster up at school and advertise for somebody to be your best friend. But now freakishly tall Becca Gallagher has moved to town, with her dragon tattoo and wild ideas. Suddenly Shelby's madscientist father and their robot, Euphoria, seem normal. They become best friends instantly. But Becca wants to shake things up at school and look for "others of our kind"...and decides to form the Queen Geek Social Club.

The thing is, this guy Fletcher Berkowitz keeps nosing around, asking lots of questions about the Club. He's cute, and interesting, and possibly likes Shelby. Therefore, she must torture him. One good thing about being a loner: no one can break your heart.
