One surviving hijacker is charged with the murders of a hundred citizens.

One cop sees her innocence.

Alliance I-Marshal Weber hauls Yadira to her home planet and infiltrates the human-trafficking ring controlling her. But he finds himself unbearably attracted to his witness. A gift for detecting deception reveals she's the next victim of a criminal industry.

Descending into shadowy worlds of slavery, Yadira endures a dark angel stalking her dreams and watches the quiet I-Marshal become dangerous in her defense. Everything about him moves her...except the memory of seeing him execute the most important man in her life. Shouldn't she take vengeance? Delusions of a heavenly guardian affect her mind.

Slavers and demons plan to snatch her from Weber's custody while he is uncovering connections, and Weber won't hesitate to execute the guilty surrounding Yadira. Who but a son of fire can save her from fiends harboring hardcore fantasies of harming her?

Note: This book contains adult language used as profanity. Because criminals say naughty words.

Look for *I-Marshal Stories* sequels: *Luminous Nights* and *Gangbusters*. The stories may be read in no particular order.
