Family Secrets Liz Byrski

"The doyenne of women's fiction" *West Australian*

When patriarch Gerald Hawkins passes away in his Tasmanian home, after ten years of serious illness, his family experience a wave of grief and, admittedly, a surge of relief. Gerald's dominating personality has loomed large over his wife, Connie, their children, Andrew and Kerry, and his sister Flora, for decades.

Connie, whose own dreams were dispensed with upon marriage, is now determined to renew her long friendship with Gerald's estranged sister, Flora. She travels to France where she finds Flora struggling to make peace with the past and searching for a place to call home. Meanwhile Andrew's marriage is crumbling, and Kerry is trapped in stasis by unfinished business with her father.

As the family adjusts to life after Gerald, they could not be more splintered. But there are surprises in store and secrets to unravel. And once the loss has been absorbed, is it possible that they could all find a way to start afresh with forgiveness, understanding and possibility?
