Chris Honeysett uncovers strange goings-on at the Bath Arts Academy in this intriguing new mystery

Against his better judgement, laidback painter and private investigator Chris Honeysett has accepted a role as tutor at the Bath Arts Academy and agreed to take part in an anniversary exhibition. But preparations are disrupted by a series of peculiar events: a naked, wild-haired figure is glimpsed running through the woods; strange symbols are carved onto trees and gateposts; a metal sculpture takes on a mysterious life of its own.

The incidents, which are initially assumed to be student pranks, escalate in menace and intensity, until one of Honeysett's fellow exhibitors lies dead – and Honeysett finds himself the prime suspect in the ensuing murder investigation. It's clear that someone is trying to frame him. But who? And why?
