Individuals, Groups and Organizations Beneath the Surface: An Introduction Lionel F. Stapley

This volume is an introductory text to the individual and organizational dynamics by an author with extensive experience in the field. It examines the unconscious processes of human behaviour that affect all organizations and institutions. It is aimed at those who are currently employed as managers or consultants, students of management, and others with the opportunity to develop knowledge skills and ability in an area of organizational behaviour, which has been largely inaccessible to the majority.
