## **Live with Intention: Rediscovering What We Deeply Know** Mary Anne Radmacher

More than two decades ago, noted author, artist and teacher Mary Anne Radmacher, was beginning her chosen path--to live with purpose, to make a difference. She lost a dear friend and she wrote these words, which have appeared wrapped around mugs, on carry bags and journals, day planners, refrigerator magnets, and posters.

In her new book she expands these words to invite readers to explore what it might mean to live each day with intention--to figure out what counts for them, what will make their lives richer, allow them to make a difference, and bring verve to each and every day. Radmacher shares the ten qualities she considers essential to intentional living and offers readers exercises, inspirations, and promises to help them find what's important in their lives.
