"A master of her craft." --Maggie Shayne

For beautiful heiress Sheree West, vampires are more than a fantasy. They are an obsession. Night after night, she dresses in black and immerses herself in L.A.'s goth club scene. Searching for a lover who is more than a man. A creature of the dark who lusts for her blood. A legend who lives in the shadows and not just her dreams. Then, one fateful night, she meets him. . .

Derek Blackwood is no ordinary vampire. Descended from a bloodline as old as Cleopatra, and blessed with unearthly powers of seduction, he is everything Sheree wished for--and more. When he takes her in his arms, she is powerless. When he kisses her neck, she is his. But when the full moon rises--and passions flare--something is unleashed in Derek that he's never felt before. Something wild. Something dangerous. Something no vampire can control or stop. . .even for the woman he loves.

"Amanda Ashley is a master storyteller." --Christine Feehan
