Regarde-moi mourir (French Edition) Lee Goldberg

Harvey Mapes a vingt-six ans. Il est gardien d'une communauté privée du sud de la Californie et passe ses nuits dans le poste de garde devant la grille d'entrée, à lire des polars et regarder des rediffusions. Il attend que sa vie commence – ce qui arrive quand un des riches résidents, Cyril Parkus, lui demande de suivre sa très belle épouse, Lauren.

L'humble gardien de nuit saute sur l'occasion de réaliser ses fantasmes de détective privé et utilise tout ce qu'il a appris de Spenser, Magnum et Mannix. Mais les choses ne se passent pas comme dans les livres, ou les rediffusions. Tandis qu'Harvey tâtonne et trébuche sur les obstacles de sa première enquête, il découvre que les différences entre fiction et réalité peuvent être mortelles.

Avec l'aide de sa voisine, une courtière en immobilier et bonne amie occasionnelle, Harvey découvre une histoire de chantage qui prend soudain un tour tragique, et le plonge dans un univers de violence, de tromperie et de meurtre...

Ce livre a été nominé pour le titre de meilleur roman par les auteurs d'histoires de détectives privés d'Amérique (Private Eye Writers of America).

Regarde-moi mourir dans la presse indépendante :

« Aussi sombre et tordu que tout ce dont ont rêvé Hammett ou Chandler », Kirkus.

« Approcher le niveau de Lawrence Block n'est pas un mince exploit, mais Goldberg réussit avec cette histoire attachante de détective privé », Publishers Weekly.

« Goldberg a le don de combiner l'humour et le réalisme dans les bonnes proportions, avec son amour évident des histoires de détectives privés et le tempérament impertinent qui lui est propre. [...] Une lecture fantastique. Goldberg est un auteur authentique et devrait être sur la liste des lectures incontournables de tout un chacun », *Crimespree Magazine*.
