El derecho a la rebelión: y la lucha no violenta (Spanish Edition)

Guillermo Sullings

El derecho a la rebelión: y la lucha no violenta (Spanish Edition) Guillermo Sullings

Este modesto y sencillo escrito no pretende ser un análisis profundo de la problemática de la marginación y la lucha no violenta. Para eso habrá que consultar a los especialistas.

Con este escrito se pretende plantear algunos conceptos, en el lenguaje más simple posible, para entendernos con su destinatario principal: las personas marginadas por esta sociedad y todos aquellos que se solidarizan con la lucha por los Derechos Humanos.

El autor en su condición de Humanista considera que la violencia es repudiable en cualquier circunstancia y que la lucha no-violenta no necesita justificarse por la inutilidad de la lucha violenta; no obstante, si en algunos pasajes de este trabajo enfatiza en la inconveniencia del uso de la violencia es porque entiende que muchas personas de buen corazón pueden caer en la trampa del sistema de llevar la lucha al terreno violento. Hay mucho por discutir y mucho por transitar sobre cómo desarrollar la lucha para rebelarse contra los condicionamientos de una sociedad que margina cada vez a más gente.

Este trabajo espera aportar su grano de arena.
