## En resum ... o gairebé (Catalan Edition) Stéphane Hessel

"Aquesta acumulació de memòria humana constitueix un tresor de sentit. Haver travessat un segle ple d'invents, esperances i horrors, i haver viscut plenament aquesta aventura és el que em dona legitimitat. Perquè potser he rebut de la vida un deute de sentit, i avui em puc permetre pagar-lo amb el meu testimoni". Stéphane Hessel A En resum... o gairebé l'agitador de consciències Stéphane Hessel aborda de manera magistral els temes de la indignació i els seus límits, la compassió, l'amor, l'admiració, la resiliència, la reivindicació de la dignitat, la força de les paraules, el compromís polític o la democràcia per transmetre a les noves generacions que cal lluitar dia a dia per recuperar la dignitat i per construir les bases d'un futur comú més just i accessible per a tothom. Una obra reveladora i necessària en la qual la veu de Hessel es barreja amb versos i confidències, amb opinions i records que configuren la trajectòria intel·lectual i personal d'un home bo.
