Spiritual Emotions: A Psychology of Christian Virtues Robert C. Roberts

An expert in moral and philosophical psychology, Robert C. Roberts here develops an original, up-to-date understanding of human emotions in relation to spirituality and as a basic part of Christian moral character. With an eye on pertinent Biblical texts, Roberts explores emotions as nonsensory perceptions that arise from personal caring and concern. His study culminates with an in-depth examination of six "fruit of the Holy Spirit" emotion-virtues: contrition, joy, gratitude, hope, peace, and compassion.

Though *Spiritual Emotions* is rigorous in its focus on the inner structure of Christian character, it is nonetheless readable and is laced with many narrative examples. The book will be immensely useful for Christian ethicists, psychologists, pastors, and counselors.
