Many passages from other parts of the Word are also fully explained.

Relations of things heard and seen in the spiritual world are interspersed, explaining the process of dying, and of man's resuscitation and conscious entrance into the interior life; the nature of the soul; of heaven and heavenly joy; and of hell, its nature and its miseries. It also treats of the Grand Man, or the whole angelic heaven, and the correspondence of the societies therein with the different organs and senses of the body; the origin and correspondence of diseases; the spirits and inhabitants of the various planets, and of other earths in the starry heavens. All of which are related to a true understanding of the Divine Word.
