## **Cómo pensar más en el sexo (Spanish Edition)** Alain de Botton

No pensamos demasiado en el sexo, sencillamente pensamos en él de la forma equivocada. Alain de Botton sostiene que el sexo en el siglo XXI está predestinado a ser un acto de equilibrio entre el amor y el deseo, entre la aventura y el compromiso. Tratando temas que incluyen la lujuria, el fetichismo, el adulterio, la pornografía y la impotencia, articula con franqueza los dilemas de la sexualidad moderna, ayudándonos a pensar con mayor profundidad y sabiduría sobre el sexo que practicamos o dejamos de practicar.
