Did you know that flowers have a unique language of their own? Or that the way you draw a tree reflects your life outlook and personality?

Flowers and trees have long been celebrated as sacred and powerful. By learning to read the special messages they hold, plants can help us navigate our life path and reconnect with nature. In this comprehensive guide, bestselling author Richard Webster uncovers the hidden properties of every major type of tree, herb, and flower that we encounter in our daily lives. From protection and healing to divination and worship, this book shows you how to apply ancient spiritual practices from many cultures to modern life—attract your ideal mate with valerian and sage, ward off psychic attacks with a sprinkling of rose oil, restore positive energy with nature meditations, and more.

Nature lovers, myth historians, and trivia lovers alike will embrace this all-encompassing guide to the vast history and extensive magic of flowers and trees.
